SUBJECT: Distribution of Smith-Lever Act Funds for Fiscal Year (FY) 2009

Attached is the CSREES-OD-1088-F, Distribution of Smith-Lever Act Funds, for FY 2009. The Smith-Lever Act section 3(b) and 3(c) funds are allocated under 7 U.S.C. 343(b) and (c). Final CSRS and FERS allocations will be announced later in the fiscal year. Funding for the Expanded Food and Nutrition Education Program (EFNEP) will be provided in a separate memorandum.

CSREES has transitioned to Grants.gov in FY 2008 for the submission of all administrative requirements via the SF-424 Mandatory Application Forms. CSREES will notify eligible institutions when the instructions and forms are available on the Grants.gov site. Therefore, there are no reporting requirements at this time. Please note that this process will not change any current reporting processes such as the Plan of Work. The FGO for this program will be released on April 10, 2009.

Section 203 of the Agricultural Research, Extension, and Education Reform Act of 1998 (AREERA) (Pub. L. No. 105-185) amends section 3 of the Smith-Lever Act (7 U.S.C. 343) by requiring all funds authorized under sections 3(b) and (c) to be fully matched out of non-Federal funds. This applies to all formula grants authorized under section 3(b) and (c) of the Smith-Lever Act, including the retirement and special needs formula programs. It should be noted that the funds used to match the special needs and retirement formula grants may be used for any extension activity approved as part of the Plan of Work. In addition, the matching requirement for 1862 Land-Grant Institutions in the Insular Areas is 50 percent of the Federal formula grants per section 7213 of the Farm Security and Rural Investment Act of 2002 (FSRIA) (Pub. L. No. 107-171). State Extension Directors in the U.S. territories should refer to my memo to them dated March 10, 2003, concerning matching requirements for formula grants.

We will continue to email you regarding important information regarding all of the formula grants you receive. This information is released at our "Formula Grants News Updates" web page:
